Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Administrative Staff, OL

DATE: 6 June 1956

FROM : Chief, Security Staff, OL

SUBJECT: Continuing Liaison Contacts with Department of Defense
and Other Government Departments and Agencies

1. Attached is draft of a proposed Logistics Instruction concerning subject. The procedures outlined therein have been in effect within the Office of Logistics for over three years. This Staff has however, just recently established the individual file records outlined in section 2.b.(4)(a) of draft.

2. CIA Regulations concerning interdepartmental liaison contact and support include:

"CIA Contact Security Policies for NON-IAC Agencies"
(issued approximately 1950)

"Release or Disclosure of Classified or Unclassified
Intelligence Material to the Congress of the United
States" (issued approximately 1950)

"Interagency Operational Liaison" (issued 4 May 1951)

"Interdepartmental Procurement" (issued 22 Sept. 1954)

3. None of the above cited regulations deal directly with our problem and have not set forth procedures for establishing liaison contacts or obtaining security approval for same as required for logistical support purposes.

4. All divisions and staffs within the Office of Logistics are presently complying with the responsibilities outlined in section 2. of attachment. It is the general opinion of this Staff and the other divisions and staffs within Logistics that procedures outlined in attached draft have been working satisfactorily and meet the requirements of their various offices. This proposed instruction is only intended to cover the security aspects of the logistical support program relating to security approval of liaison contacts and establishing and maintaining adequate controls and records of same.
